Visible Grace

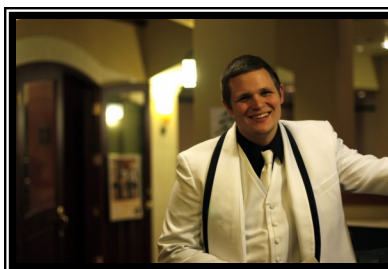

Thank You

Dear friends and family,
I am pleased to report to you that our 6th annual auction was a huge success, and to that we owe a huge THANK YOU to each and every attendee, donor and volunteer! **We raised about \$20,000, which is about 80% of our total cost for building our first home.** We know that this is a very hard time for many and we are so thankful for God's provision and for your incredible generosity! We are very excited about moving forward and we expect to break ground on our land by the end of this year. We look forward to our auction every year and we hope to see you all again next October.

One of the highlights of the auction was **the premier of our Visible Grace video**, which was made and donated by Great Fish Media . If you haven't seen it yet, or would like to watch it again, please check out our website– www.visiblegrace.org– and click on the link in the right hand column (about halfway down). We are very excited about this video and encourage you to share it with your friends! We are also working to make it available on DVD so you can **share it with your friends.**

Coming Up:

~We are excited to break ground very, very soon. Stay tuned for pictures and updates.

~Please consider making a year end donation to Visible Grace, or giving a Christmas gift in someone else's name. **We only need \$5,000 more to finish building our first home!**

~We are planning some fun events for the coming year and we look forward to sharing them with you!

Call Me

I am continually blessed by each of you and I pray you enjoy this holiday season. Please, as always, **call me or email me if you have any questions** about anything. I'd love to talk!
